May 12, 2019

Welcome to First Baptist Church

Following water damage to several areas of our church building at the beginning of March, we are meeting for Sunday morning church services in the Florence Simmons Hall at Holland College.

For the time that we are unable to be in our own building, we will be having **one church service at 10:00 a.m.**

Children are invited to sit with their parents until they are dismissed. A Junior church program will be provided for age 2 to grade 6 children in a room behind the performance hall.

For nursery aged children (0-2), there will be a play area set up in the foyer. Parents are free to stay with their children while they are there.

Sermon: "The Most Precious Gift"

As of May 1st, a total of \$12,020 had been received for the Pew chair fund and another \$2,980 has been given to the Building Fund. All of these donations will help in covering the costs of work that has been done following the flood at the beginning of March.
