

Amos: Let Justice Roll Down

Week 5 – February 5, 2023

Begin with Prayer

Whether you're alone or in a group, in a living room or around a table, take a few minutes to invite the Holy Spirit to be with you and guide your time.

Reflection Questions

- Consider the idea of “Godly punishment”. Throughout the book of Amos we are confronted with the consequences being meted out by God towards Israel and Judah. In this light of what we read in Chapter 7 this week, is “Godly punishment” an oxymoron or conflict in terms for you? Is there a phrasing that you are more likely to use instead?
- Now consider (in the same light as the above question) how you might define justice? Perhaps like many people you realize that you are able to define what justice ISN'T more clearly than what it IS.
